

2022

Education programs

Queensland Ballet offers a range of education programs and events throughout the school year, including:

In-school workshops

Linking to curriculum learning outcomes and available for all year levels

Teacher professional development

Further develop your practical skills under the expert guidance of Queensland Ballet Teaching Artists

School matinees

Discounted group tickets available to experience the magic of live performance

Regional programs

Queensland Ballet Teaching Artists visit regional communities to deliver teacher PD, in-school workshops and community classes

Queensland Ballet is committed to providing enriching and accessible dance experiences for all Queenslanders.
